

All About Art Summer Program . . .

Join us and take an active role in choosing an imaginative outlet for your children.

Led by our experienced staff, All About Art is offering their 6th year of summer classes. Located in convient Monroe on Route 25, (641 Main Street) classes will begin July 5 and conclude on August 20. We offer a program for children ages 4-14 with all skill levels. We have programs that run all day long! Due to a popular demand our Art Start classes will resume once a week for children ages 2-4.

The studio will be filled with an endless variety of exciting projects. Our educational lessons will immerse your child into a world of creativity while they learn problem solving and critical thinking skills, as well as a sense of craftsmanship. All About Art is a stress free non-competitive environment where children will develop a positive work ethic with results that build their confidence. Each lesson focuses on building skills, teaching techniques and having fun while their awareness of the arts expands.

Some of the themes covered this summer include:

- Ocean Adventures
- Countries Over Time
- Lights, Camera, Action!
- Animals Adventure
- Art Mania
- Going Green
- Color Your World

If you are a talented, blooming artist or just like “art”, this is the place for you!
Come learn, create and make new friends at a one-of-a-kind art center!!!
